

REMARKS

The present amendment addresses all of the issues raised by the examiner in the final office action on the merits of May 5, 2005 and amends the relevant pending claims to reduce the issues for appeal without introducing new issues or new matter into the application. Claims 1-6, and 133-136 remain in the application as allowed. No new matter has been added and the pending claims are believed to be in condition for allowance.

ALLOWED CLAIMS

The examiner is thanked for the indication that claims 1-6 and 133-136 are currently allowable. These claims are the only claims that remain in the application.

It is respectfully submitted that the application is in condition for allowance. A favorable action is respectfully requested.

Respectfully Submitted;
